

ABATE OF MICHIGAN

Why it makes good sense to amend Michigan's helmet law

1. NHTSA statistics prove that states with a helmet law are not safer than those with free choice [\(click for more info\)](#)
2. Amending the helmet law would finally bring Michigan in line with the majority of other states [\(click for more info\)](#)
3. This would boost Michigan's economy by \$1.2 billion and bring 2700 jobs into Michigan. This includes increasing tourism which has been falling for 7 straight years in a row. [\(click for more info\)](#)
4. Insurance rates will not increase, as no state has ever increased their rates due to a helmet-law modification. [\(click for more info\)](#)
5. This will benefit the Michigan State Troopers and the Deputy Sheriffs. [\(click for more info\)](#)
6. Again in this session there was overwhelming support in both Michigan's House and Senate. [\(click for more info\)](#)
