

REGION 10

Happy Spring!

Our April 4th meeting was called to order by (R.C.) Bill Donley at 6P.M.

Bill started by once again urging people to write or E-mail their Representatives about pending legislation. He very correctly pointed out that they can't vote for what we want if they don't know what we want--so get busy and let them KNOW!!

Copies of a map of "no helmet" areas was made available to any who wanted them.

Bill then informed us about a membership incentive that he has just been informed of wherein the cost to join as a couple will be temporarily reduced to \$25.. This would be a great time to speak to your friends and neighbors about joining us and becoming active in some of our objectives.

Denny Gee took the floor to speak very eloquently in support of Bill's request about pending legislation and to add many more details about coming issues. He also thoughtfully provided everyone with a list of legislators and their e-mail addresses.

The 50/50 was held --Terry Campbell took 1st and Patty Cabala took 2nd.

The Adopt-A-Highway program was brought in and the group voted for the date Saturday, April 18th. We will meet at the Round-Up (Big Al's) at 10 am. The alternative date is Sunday, the 19th at the same place and time.

Bill then mentioned that ABATE will be suing the State Police over the Helmet Law, but not too many details are available yet.

DON'T Forget to check your calendars for coming events--Poker Runs. Field Meet. etc.
