Well here we go, we need volunteers for Bike Time! Deb in Products, Pirate for membership and Snake for the camp ground. And if you have already signed up there will be a meeting for volunteers with the Bike Time organizers on Wed. July 15th at 6 p.m. at the old Train Depot downtown. So if you haven't stepped up yet, lets get to it! You guys are the heart and soul of this group and we are calling out to you! We need you!!!

Well a group of about 15 members went to Lansing on June 3rd on the No Helmet Run. That was a good turnout for us and it went real well. Thanks guys and gals that attended, in this case the more the better for our Region.

Back to Bike time news there will be a swap meet at the Walker Area during Bike Time on July 18th and I think if you have questions regarding it you can get ahold of Carl for more details and vending spots at 231-728-4153. Also our own Victor and Mike McDermott will be running the burn out pit on Friday and Saturday on main street. There will be trophies and free tires with mounting as prizes. Now that sounds like a good time and good luck!(Nate) There will be the biggest Bike Time breakfast at the campground n

ow bikes can ride in but cars will have to park and walk in I think that as of now it will be a plate price not known as we go to press, but the profits will go to charity. Then Abate members and any card carrying rider will get 10% off! What deal huh? Well we'll see you the meeting and can go over any questiond you have.

Well we have been asked to kinda tone down the amount of info we put in the newsletter so I know that you are saying will somebody shut my mouth!
