

Should you go first and I remain, to walk the road
alone, I'll live in memory's garden dear with happy
days we've known. In spring I'll wait for roses red,
when faded lilacs blue. In early fall when brown
leaves fall, I'll catch a glimpse of you. Should you
go first and I remain, for battles to be fought. Each
thing you've touched along the way will be a
hallowed spot. I'll hear your voice, I'll see your
smile, tho blindly I may grope. The memory of
your helping hand will buoy me on with hope.
Should you go first and I remain, walk slowly down
that long, long path, one thing I'll have you do, for
soon I'll follow you. I want to know each step you
take, so I may take the same. For someday down
that lonely road You'll hear me call your name.

Region 6 October Report

Hey Everyone,

Hope you're enjoying the beautiful fall weather that we have been having. I know that we're all bummed that Summer is gone, but just hang in there it'll be back before we know it, and there are already plans in the works. So you'll have something besides warmer weather to look forward too. We got the Sept. meeting underway and Dave gave the treasury report, and I read the minutes. Judy was unable to attend for products and John Silk was not able to be there but he ask Joe to let us know that we need to contact Representatives Barcia and Stamas about House Bill 4675 which has to do with the Catastrophic Claims on Motorcycles. It seems the M. C.C.A. is sticking it to us again. If you are on a motorcycle you are not covered. Let's make them open their meetings up and have to account for the millions of dollars that they are socking us for on our Automobile policies. Check your policy, their hitting you with it on EVERY vehicle you have insured. This Association is not governed by anyone. They will cover you if you're hit by a car, but not if you have a crash that doesn't involve anyone but YOU. Also you need to check out page 8 of your October Rider and take the time to write to your Reps. about Senate Bill 104. This one is about impairing or killing someone in a moving violation. The letter is already written for you so all you have to do is rewrite it, sign it, and send it off. We need them to vote yes on this one!!

O.K., now that we got that out of the way. We had a WONDERFUL turn out for the Memorial run that was held at Bubba's and we would like to extend a big THANK YOU to Bubba and all the Staff for their help in putting this on. Thank you too to all the region members that helped with sign in, food and what not. It is really appreciated. This just seems to get bigger and better each year. At the August meeting there was a motion to have another Family Camping next year at the Huey Lake Campground and the motion was passed. So it has been planned again for August of next year, (probably meeting weekend). Go ahead and put that on the top of your calendar for 2009. We will determine a date at future meetings. The boot raffle has been in full swing and the winner of that will be drawn at the November meeting. The Iron Ass contest winner will also be drawn at that time. This winner will get 2 free tickets to the '09 Field Meet. We have Santa Clause coming to the December meeting, if you would like to have your child or grandchild meet with Santa then all we ask is that you bring a small gift with their name on it. This will be during our Christmas Party. (GEEZE.... That time already!!!!) This will be held on the 14th of December and if you wish to attend PLEASE bring a dish to pass. Hope to see you there. There is talk of having a Spring Run. Still have to get the details down and set but if you have another idea, bring it to the meeting and let us know. We are also going to have the Bull Riding Tournament again this next year. It will be open to any regions wanting to attend and will have a traveling trophy. The date for this has yet to be determined. As soon as this is set we will let you know.

I would like to welcome new members Charles Springborn, and John & Theresa Mallace (hope I got that right). It was a pleasure meeting you all, and Congrats to Charles, who had the luck of

winning the 50/50 for the month. As a new member he was able to take away an extra \$ 45.00. Don't forget that a portion of the regions take on the 50/50 is being put toward the Christmas Fund for our family. So please help out when you can. (I know times suck for everybody!!), which brings me to the last of this letter before I close. **YOU NEED TO GET OUT AND VOTE!!!!** There is a Voters Guide in the front of your October issue, on page 10. This might help you determine who the best choice is for your concerns.

In closing I would like to say **HAPPY THANKSGIVING** to each and every one of you, Have a wonderful, and healthy fall. See you at the next meeting.
